best location

You will not find a better location. Just cross the road to access Simpson Bay beach from Buccaneer's Beach Bar and also offering world-class dining options in the vicinity to complete your experience in paradise.

Even with the close proximity to nightlife, living at Nevari Pelican Key condos is quiet and totally private due to its elevated hillside position. This is the best-planned St Maarten condo development.

Multiple condos are available with three-bedroom and four-bedroom options. The three-bedroom is a one-level condo.

rooftop pool & deck

The absolute pinnacle of luxury with huge pool lounge and deck offering some of the highest ocean views in St Maarten. This is just pure beauty.

I did not want to leave this amazing spot and literally looking forward to showing this condo to everyone.

You are lucky to be the new owner of this property in St Maarten.

Nevari development consists of two apartment buildings, each with three floors and a basement, and each consisting of two apartments, one unit on the ground floor and basement, and one unit on the first and second floors. The buildings are known as Building 3 and 4 of the Nevari development. The approximate enclosed area of the unit is 180m² and 250m² including terraces and pool.

St. Maarten is known for being the smallest landmass in the world, shared by two different nations; France and the Netherlands. This tiny dot in the Caribbean Sea, is not to be underestimated as it offers dozens of

beaches, hiking trails, luxury hotels and villas, casino's and over 300 restaurants. Our International Airport has grown to become a connecting hub in the Northern Caribbean and connects you directly with major international cities such as New York, Miami, Panama City, Paris and Amsterdam.

St. Maarten is home to the Caribbean's biggest annual Heineken Regatta, the much-anticipated carnival in April and great summer festivals.

Our population is not only diverse but very friendly. Living here will set the stage for extraordinary experiences.
