beacon hill oceanfront condo

A rare opportunity to own one of the best views on the island.

The building and the apartment have been renovated recently and well-maintained.

The condo is only a few footsteps to Simpson Bay beach

Have front row seats to all the regattas and watch turtles feeding in the bay.

Sit 30+ feet high on the cliffs above Simpson Bay, with spectacular vistas, constant trade wind breezes and the same clear blue water views as the mega million-dollar yachts anchored in Simpson Bay.

Close enough to the water to hear the waves on the beach, and surf against the rocks, you can snorkel or fish right outside your own home.

Sit on the patio, rest and enjoy the wonderful view of the bay, ocean, beach, and a mile view across the bay to Pelican.
