Located in the prestigious residential area of Oyster Pond, Princess Heights is nestled into a bluff overlooking the spectacular crescent-shaped Dawn Beach. The views of the teal waters of the Caribbean are magnificent from this vantage point, as are the views of the neighboring island of St. Barth. This condo also provides panoramic views of the mountains and rich tropical foliage from any one of the three private balconies, or just open the French doors facing the ocean and let the Caribbean breeze soothe your soul. In less than a 5-minute walk, you will find yourself on one of the many beautiful white sand beaches that St. Maarten is famous for.

There are many dining options just minutes away, as well as numerous activities such as water sports, spas, yachting, marinas, and casinos. Philipsburg, the capital of the Dutch side, and Orient Beach, which is famous for its fine dining, windsurfing, kite surfing, and people watching, are a short 10-minute drive from Princess Heights.
