Location:

Villa Magnificence is situated in a 2031 sq m = 0.5 acre tropical garden on the top of the Oyster Pond Hill. This area is one of the most exclusive and expensive residential addresses on St. Maarten. It is a 2 - 3 minute drive to the beautiful sands of Dawn Beach. Even to the French side with all the wonderful restaurants and boutiques, the journey time is only 2 minutes.

Heritage:

Constructed in concrete in 1997, Villa Magnificence incorporates all the charm of a Caribbean Villa, with the luxury of Italian marble in all bathrooms and floors, as well as real Mexican terracotta tiles in the exterior areas.

Villa Leones is impeccably furnished in European style, and boasts high-quality tropical wood fixtures, marble bathrooms, granite surfaces in the kitchens, etc. It is being sold fully furnished, with some antiques and valuable pictures, and two large bronze lions from the 17th century at the entryway. The villa also has a solar power system, Internet access in all the rooms, and a UV water purification system.

Villa Magnificence was fitted with a new hurricane-proof roof and windows. Sturdy new electric shutters protect the windows from strong winds and also serve to darken the rooms.

In addition, the private access road leading to the villa is protected by a sturdy automatic iron gate.

Oyster Bay is a unique location that it is divided by French side and Dutch side. The harbor from Oyster Pond protects sailboats and charters from the choppy Atlantic Ocean. It is a magnificent marina with a

popular resort and plenty of waterfront restaurants including a great nightlife.

Oyster Pond started as a Marina destination which has grown into a upscale villa estate. Owning a home here is synonymous to luxury and privacy. One of the only places in Dutch St Maarten where privacy is guaranteed.

A typical three-bedroom Oyster Pond villa will come with large grounds, majestic architecture and ocean views everywhere. This is typical of all Oyster Pond Villas.

Oyster Pond Villas Reviews

Best Hidden Gem

The Oyster Pond Area is quiet, lovely, and offers marina and sea views of St. Barts. Voyager offers ferry service to St Barts from Oyster Pond vs traveling to Simpson Bay. Many restaurants to please the palette vs driving back to downtown or Simpson Bay. If you are looking for quiet, relaxing, away from hustle and bustle of daily living this IS THE PLACE!!
