## Remarks

Little Bay Mexicana 4 Bedroom Ocean View Villa For Sale

A masterpiece of panoramic architecture; with views from everywhere and immense potential to increase the property’s value with a measured approach. A luxury 4-bedroom villa plus 2-bedroom apartment offering intimacy and warmth with lots of natural light and warmth through large windows that spills in the sun generously in every room and space.

The spacious villa consists of a 4-storey single family villa with a 2-bedrooms apartment and a combined gross covered area estimated at 805 m2.

The main access to the villa is at level +2 (upper level) where the foyer is located and all levels are connected by a central circular staircase. The garage is also located at this level as are workshop buildings and a parking area.

On level +1 (middle level) the living areas with a pool, spa and deck are located towards the SE. A gazebo

and BBQ area are also evident here. A stair leads to the basement where a mini golf area and technical room can be found. A theatre is also located in the basement, which occupies partially the level +1 and level 0.

The lower level is also the main dormitory area with a laundry room and a wine cellar.

A 2-bedroom apartment lies to the NW side of the villa and shares two levels of the building. The living areas are located at level +1, being the mid level of the dwelling.
