two bedroom beach condo

Located in a gated and secure complex, the stand-out feature of this Simpson bay condo is the size. 2281 square feet of Caribbean paradise! Approximately equal in square footage to a small house! To add to the magnificence, the high ceilings, and open concept design further the feeling of spaciousness and airiness. This Simpson Bay condo also serves up panoramic views of Simpson Bay Beach, Pelican, and Saba across the bay. The open floor plan layout of the living room, dining area, and kitchen coupled with the adjoining 35 sq ft covered veranda maximize the available space of the common areas. Large sliding doors in the living room and master bedroom provide direct access to the beachfront terrace as well as allow for ample natural light and cooling ocean breezes to infiltrate the home.

Classic wood cabinets, double sink, granite countertops, and high-end appliances create both a homey and functional kitchen area. The large Kitchen island serves both, as work and dining space. The sleeping areas consist of two bedrooms each with a panoramic terrace / balcony showcasing the best of St Maarten's views. The Master suite features walk-out access to the front veranda and sunset views that will be etched in your heart! The other bedroom has a smaller private balcony overlooking the charming fishing village of Simpson Bay and its lagoons.

Beautiful and luxurious Penthouse on the Beach in Simpson Bay, St Maarten. Amazing views and sunsets. Double beachside balcony where you can view the yachts lining up to pass to and from the Sea to the Lagoon when the Bridge is raised. Breathtaking!

Two Blocks from the main Simpson Bay strip with a wide variety of bars/restaurants. With just a short 5 minute drive you will find yourself in Maho, and the world-famous Sunset Beach Bar.
