Rainbow Beach Club SXM Improvements

Rainbow Beach Club (RBC SXM) has gone through a huge upgrade and all the buildings have their exteriors recently painted (or in process).

Condos at RBC SXM have gone up in price by 30% in just two years!!

This has created intense demand for RBC SXM and oceanfront Super building condos sell within 24 to 48 hours of being available on the market. In my opinion Rainbow condos offer the ultimate in value when buying beach condos in St Maarten.

This is one of the reasons why RBC SXM is the most investment friendly condo development in SXM.

You pay some of the lowest HOA rates in the whole of SXM.
