Seaside Cherry in Point Blanche is 1520 squared meters of full ocean view land. Seaside Cherry has already been cut and cleared and also comes with architectural drawings for a 4 condo building! This lot is located in the back bay area offering residents full ocean views, gorgeous sunrises and glimpses of St. Barths across the bay.

Point Blanche:
Point Blanche is located at the Southeastern most tip of Sint Maarten. It's proximity to Philipsburg and Great Bay means that major commercial, recreational and entertainment activities are a quick 5 minute drive away. For the more adventurous at heart Back bay is a great hiking location with trails leading to the "Natural Ocean Pool" and further on to GuanaBay.
